

FROM THE MAYOR

Dear John,

That was the greeting to the most dreaded letter we could receive while serving in Vietnam. It might not be John, but the letter was from your sweetie back in "The World" saying that she was through with you. Not quite as bad as that, however, but after twenty-eight years, I am saying good-bye to being an elected official in our Town government. This is a very bittersweet moment for me.

I want to thank each and every one of you for your support over these many years, and particularly over the past eight that I have served as Mayor. It has truly been an honor and a privilege to serve, and I thank you for that. I have enjoyed building a terrific staff and working with some of the greatest people I have ever met. And I have learned, through adversity, how to deal with a difficult and oppositional governing body, and survived it.

If you will indulge me, I'd like to list some of the many accomplishments achieved in the Town over the past eight years.

- Construction of the Chesapeake Beach Railway Trail
- Major upgrade to Kellam's Field

Story by Laura Krick, Marketing Coordinator & Marilyn VanWagner, General Manager

Our Halloween Family Fun Night is just around the corner! On Sunday, October 23, the Town of Chesapeake Beach will co-sponsor, along with Calvert County Parks & Rec, this very exciting night at the Chesapeake Beach Water Park. The County will have all of their fun activities such as face painting, inflatables, and other games begin at 5:00 p.m. at the North East Community Center (NECC) located next door to the Water Park. The Trick or Treat Trail will take place at the Water Park from 6:30 p.m. to 8:30 p.m. where many of the Town's local businesses will be giving out candy and treats. New this year, we will feature Keith Hicks as DJ and two magic shows by D's Magician Dave Thomen. The theme this year is "Star Wars" where we will transform our cave into a Star Wars galactic zone with many of your favorite characters. We will again take the scary out of Halloween! No witches and no ghouls, only enjoyable and family-friendly characters, games and fun for all. Bring your children dressed in their favorite costumes and celebrate with us! Admittance is free to the community, and it offers an opportunity for a safe and happy Halloween celebration. If the weather is inclement, the entire event will be moved indoors at the Community Center. Mark your calendars and plan to attend! ■

Chesapeake Beach Water Park Appreciation Letter

Dear Mayor Wahl,

My family recently had two big events to celebrate, a friend from the United Kingdom came to visit and my daughter was celebrating her 11th birthday, so we came to the Chesapeake Beach Water Park in your lovely town. I am a retired U.S. Army Major with 24 years' service and a current Intelligence Officer for the government, I have great experience with the requirements necessary to train a staff. I have to share that the professional level to which your team at the Chesapeake Beach Water Park have brought their young staff of lifeguards up to is amazing for a local town organization. They are on par with military grade professionals. Let me explain:

I was watching the lifeguards doing their duty as they watched over my guest and my four daughters to gauge how much I could relax as a father with his ducklings splashing about. I noticed that they all were laser focused on their zone of responsibility. Each one was vigilant to a fault. At one point a young lifeguard saw a younger child, separated from his mother, flip off their tube and slip beneath the waves. The mother was in a panic rushing to save her child, but the guard saw it unfold and plunged into the water snatching the child off the bottom and into the mother's arms. It all happened so fast I hardly had time to gasp. And the guard didn't languish to receive the grateful mother's accolades but immediately returned to his post accepting no reward for performing his duty. Then later I saw several drills occur throughout the day where the guard staff responded to mock drownings, broken necks and drowned babies floating past. These were not just pencil drills to check the block, but real gritty, hands-on training events. Very impressive.

I wanted to pass on my compliments to you and the town council for the efforts of Ms Marilyn VanWagner, the General Manager and also Ms. Ciera Harrison, the head guard who was in charge of the training and staff that day. Their dedication to the safety of the swimmers is very impressive and they, and the whole staff, should be commended.

Keep up the great work. We will certainly see your lovely town again and take in the swim park while we are there in Chesapeake Beach confident in the competence level of your lifeguard staff.

Sincerely,
R. Lee Sylvester, Major U.S. Army (Ret)

Fun at the 9th Hole!

The Town of Chesapeake Beach recently sponsored the **9th Hole** at the Friends of Calvert Library fundraiser. Kelly R. Peake, Special Events Coordinator and Education Director for the Chesapeake Beach Railway Museum did a fantastic job decorating our space for the event. Thank you to the Railway Museum for joining us by participating in this worthy event! ■

Delightful Evening Spent on Summer Moonlight Cruise

Party-goers boarded the "Miss Lizzy" on Saturday, August 20 for a summer evening cruise along the coastline of our beautiful Chesapeake Beach. The theme "One Particular Harbour – Jimmy Buffet Night" was celebrated with fun hats, sunglasses, tropical leis and happy attitudes.

FROM THE MAYOR

Mayor, continued from page 4.

these men have been instrumental in providing support for many projects in Town, including the Chesapeake Beach Railway Trail, the upgrades to Kellam's Field and numerous other projects. Thanks!

Sheriff Mike Evans has been in office during my entire term as Mayor, and has been a strong partner and supporter of both Chesapeake Beach and North Beach. I value his support and friendship. Thanks Mike!

The previous and current Board of County Commissioners have been very good to work with. I'm pleased and honored to call them friends as well as colleagues. Thanks Evan, Tom, Mike, Pat and Steve!

I would be remiss if I did not offer my thanks to the two Governors that I have worked with as Mayor. Governor Martin O'Malley had the unique perspective of having served as Mayor of Baltimore before becoming Governor. When he visited Chesapeake Beach in 2009, he and I had a conversation where he suggested that I try "Mayor's

Night Out," which he had implemented in Baltimore during his mayoral term. I followed his suggestion and the result has exceeded my expectations. I look forward to my final two "Mayor's Nights Out!"

Governor Larry Hogan, Jr. has become a good friend. We have the unique relationship that his parents were my family's next door neighbors in the 1950s, before the Governor was born. Despite his fight with cancer, he has served Maryland admirably, and I look forward to his continued stewardship. Best wishes for great success and good health!

Among my personal achievements during the 28 years of my service to the Town, I'd like to mention a few highlights. I was honored to serve as President of the Maryland Municipal League in 2014 to 2015. This is a very high honor, as the League represents all 157 municipalities in the state. Thanks to my colleagues from across the state that elected me to this position.

In 2009, I was inducted into the "Municipal

Hall of Fame," having served over twenty years as an elected official. At the convention held in June of this year, I was presented with the League's "Lifetime Achievement Award." This is a very high honor, as very few of these awards have been made in the League's 80-year history.

But none of these things would have been possible if I had not been elected by you, the citizens of Chesapeake Beach. I am so grateful to you for your support.

And without a doubt, through good times and bad, my strongest supporter has been my wife Becky. We've been married for nearly thirty years, but we've been friends for over fifty years. Becky, I love you and don't know how I would live without you!

So that's it. The end of my "Dear John" letter.

Yours Truly,

Bruce Wahl

Mayor of the Town of Chesapeake Beach

The Veterans' Day Ceremony scheduled for Chesapeake Beach Veterans' Memorial Park on November 11, 2016 at 1 p.m. has been cancelled due to the ongoing refurbishment of the Park. However, there is a ceremony scheduled on the grounds of the Prince Frederick Courthouse at 11 a.m. American Legion Post 206 invites the public to join them for Open House at 1 p.m. at the Stallings-Williams Post in Chesapeake Beach on November 11.

9/11 Memorial Service at Veterans' Memorial Park

September 11, 2016 marked the 15th anniversary of the day that changed our lives forever. Approximately 250 residents gathered in Veterans' Memorial Park to honor those who lost their lives as well as the First Responders and all others who aided in saving so many precious lives.

Veterans' Memorial Park is currently being refurbished. Therefore the seating walls have been removed and we are awaiting the arrival of new, custom built benches for the Park. Ironically, fifteen years ago, when the community came together in the aftermath of the tragic events of September 11, 2001, there were no benches because the Park was under construction. ■

Special Thanks to the Cub Scout Pack 903

Members of Cub Scout Pack 903, from Huntingtown, MD, were wonderful helpers at the 9/11 Memorial Ceremony. They are chartered and sponsored by Huntingtown United Methodist Church, and meet there Tuesdays at 7:00 p.m. In attendance at the 9/11 Memorial Ceremony were Cub Scouts Xavier Daily and William Schwallenberg V, both Webelos Scouts and David Schwallenberg, a Wolf Scout. Siblings that were also assisting were Kathryn Daily from Brownie Troop 4500 and Amelia Schwallenberg. Leaders in attendance were Brian Daily, Hilary Daily, Lisa Schwallenberg and William Schwallenberg IV. ■

On election day voters will be given a pre-printed paper ballot. Voters will mark the paper ballots by hand at a voting booth. Voters will review their marked paper ballots and then insert

them into the DS200 Scanner & Tabulator.

Cheryl M. Greene

As a fairly new resident of Chesapeake Beach I am encouraged and inspired by the dedication of this beautiful town's residents. My decision to run for council stems from my want to get more involved in our community. I believe that I bring new energy and ideas. Opioid/Heroin education and prevention is a high priority for me as overdoses have been an issue in Chesapeake Beach. I would also like to bridge the divide between our neighboring beach towns to promote arts, education and growth for our residents. It would be my honor to serve Chesapeake Beach.

I discovered this awesome place on the bay, moving here 19 years ago. Twin Beaches has been a remarkable place to live and raise my family. The citizens are remarkable too – all of them. I have been involved in many varied aspects of this community, from PTA to HOA representative, from contractor to small business owner, from husband to father and now to town representative.

If I am elected to the council, I pledge to help shepherd our community, collectively and collaboratively, to carry us forward and through the next decade.

The Chesapeake Beach Railway Museum (CBRM) enjoyed yet another fantastic summer in 2016! Community events held at the Museum over the past few months included five great **FREE children's programs** at the beginning of the season as well as all our wonderful **FREE Bay Breeze Concert Series** which included The Blue Rhythm Boys, Dixie Ramblers, Dave Chappell Band and the Dixie Power Trio with the New Line Brass. Be sure to keep an eye on our website (www.cbrm.org) for these annual events coming around again in 2017!

As the days grew cooler, we hosted our annual (and very popular!) **FREE Fall Family Fun Day**, open to the community. This year our featured attractions included games, crafts, bingo, refreshments, a moon bounce and a special performance by the mesmerizing magician, Ken Norris!

The CBRM participated in Mayo Beach's Communities of the Chesapeake. The first time event was hosted by Anne Arundel County and included many of the former and existing beach communities from around the area. We shared our

spective histories and how relevant each community was to the development of the area. In addition, the CBRM also participated in the first annual B&O Railroad Society Days. John Reidesel and Mike Sweeney, volunteers, attended the event on behalf of CBRM.

We also welcomed a new part-time curator, **Carey Crane**. Carey is the Exhibits Curator at the Calvert Marine Museum.

Looking towards the holiday season, we are getting ready to host our annual **Sweet Treat Express Workshop** at the Northeast Community Center on **Saturday, November 19th from 2:00-3:30 p.m.** This sugary day includes building take-home train engines out of candy and treats. No registration is required, and the event is **FREE** for children and their families, so save the date! To finish out the year, we are again offering our ever-popular dramatic reading of **The Polar Express** by our very own Conductor John on the evening of **Friday, December 16th**. Chesapeake Beach Oyster Cultivation Society Turns Six!

Story by John Bacon and Photography by Nancy Feuerle, Bob Munro, John Bacon, Jay Berry

OYSTERS OUT

Thirty-five Chesapeake Beach Oyster Cultivation Society (CBOCS) volunteers, friends and Public Works employees finally moved 65 tubs of oysters from Fishing Creek to the Old Rock Reef in August. The delay from June was caused by the excessive heat in mid-summer. This concludes five cycles of planting oysters in the bay. This year we had a 56 percent survival rate which is above average for one-year-old oyster spat.

OYSTERS IN

The 6th cycle started in early September with 22 members and Public Works employees transporting 100,000 new oyster spat from the hatchery to

their temporary home under the Railway Trail at the 3rd rest stop.

OUTREACH

CBOCS was privileged to be selected to represent the Town of Chesapeake Beach at their annual booth at the Maryland Municipal League Conference in Ocean City this past June. A new booth display was created including a large back drop with many graphics. Oysters cleaning water were on display as were a large amount of literature. A fun CBOCS corn hole game was included and turned out to be a big hit. Pearl charm prizes were given to all who won the game. Amenda and Dennis Brown along with John and Merrilyn

Volunteers count and record the oyster spat, information that is used to calculate survivability rates.

Bacon greeted many people during the two days the exhibit was open. The exhibit was displayed in Town Hall during July and August.

October was the month that CBOCS participated in the Greenstreet Gardens Fall Festival. For two Sundays, volunteers greeted several hundred visitors. The large display board along with oysters cleaning tanks of the creek water and literature were available for those attending. Many new Chesapeake Beach Railway Trail walkers resulted from this outreach. Several new CBOCS volunteers were also recruited.

CBOCS is presenting a workshop at the Maryland State Education Association Conference in late October. The theme is getting educators involved with

local volunteer groups around the state. Our example is CBOCS involvement with CHESPAX and the Calvert County School System. We have a great story to tell, and it will be available to Town residents at a date in the future.

EDUCATION

Calvert County fifth grade students are participating in their annual field trip to the Chesapeake Beach Railway Trail during October and November. Approximately 800 students, teachers and chaperones spend four hours during 16 visits learning about oysters and the waters of Fishing Creek. This program is facilitated by CBOCS and run by Calvert County Natural Resources personnel.

FUN ON THE TRAIL

The hottest new game in Town is the Chesapeake Beach Railway Trail NATURE BINGO. This challenges walkers to find 25 different natural items as they walk the trail. Since August, more than 200 bingo cards have been picked up at the head of the trail in the brochure box. Make sure to get your copy and play!

AND MORE...

The oysterquarium, mosquito repellent garden and pollinator garden continue to attract people to learn about the trail. Make sure to pick up brochures at the gardens. The osprey camera suffered a lighting strike in June, but the ospreys survived and raised their two chicks until they all went south in August.

To become involved in CBOCS go to the Town of Chesapeake Beach website and click on oysters. ■
