VISION & MISSION

- ▶ **Vision:** A caring and informed twin beach community that supports its citizens and families who are affected by substance abuse disorders through education and improved access to local prevention, recovery, and counseling resources to pursue healthy, productive, and meaningful lives.
- ▶ **Mission:** Raise awareness of opioid misuse and overdose in the community through education and access to resource information by working with residents, business owners, government agencies, community organizations, churches, local law enforcement, and emergency personnel.

GOALS

- ▶ Increase access to prescription drug disposal opportunities
- ▶ Increase access to treatment and support group information
- ▶ Provide at least four local workshops focusing on addiction and recovery resources
- ▶ Involve local people, businesses and organizations in opioid abuse awareness activities
- ▶ Reduce the number of overdoses by twin beach residents
